There is no place in modern Europe for ethnically pure states. That's a 19th century idea and we are trying to transition into the 21st century, and we are going to do it with multi-ethnic states.

– Wesley Clark,
Retired General who commanded Operation Allied Force in the Kosovo War. (Jewish)

The strengthening of multicultural or diverse Australia is also our most effective insurance policy against anti-Semitism. The day Australia has a Chinese Australian Governor General I would be more confident of my freedom to live as a Jewish Australian.

– Miriam Faine, editor of Australian Jewish Democrat.

The Census Bureau has just reported that about half of the American population will soon be non-white or non-European. And they will all be American citizens. We have tipped beyond the point where a Nazi-Aryan party will be able to prevail in this country. We [Jews] have been nourishing the American climate of opposition to ethnic bigotry for about half a century. That climate has not yet been perfected, but the heterogeneous nature of our population tends to make it irreversible ...

– Earl Raab. Writer, previously Executive Director of the Jewish Community Relations Council.

**"My white skin disgusts me.
My passport disgusts me.
They are the marks of an
insufferable privilege bought
at the price of others' agony.
If I could peel myself inside
out I would be glad. If I
could become part of the
oppressed I would be free."**

**Robin Morgan, a key radical
feminist member of the
American Women's Movement.**

**"I don't like
them! ('white
guys') I want them
to be the lost
species in a
hundred years!"**

**Yasmin Alibhai Brown
said this on the 4 June
2006 edition of
'Dateline London.'**

**No BBC executive, politician, journalist, judge or
policeman ever accused her of 'racism.' Nor was she
ever prosecuted for wanting the white race
disappeared.**

The non-Europeanization of America is heartening news of an almost transcendent quality.

– Ben Wattenberg, Jewish writer and journalist.

A GENUINE QUOTE FROM A GERMAN JEWISH POLITICIAN :

Anti-white

Exposing Genocide

"The National Democratic Party (NPD) in Germany Goal is to protect the existence and secure the Biological German People, this goal is racist, Nazi are backwards. If the German People lives on it will only lead to more Fascism and racism. Therefore the goal of we, the SPD, CDU and all other democratic parties in Germany is to make the German People PERISH at any cost or method. The German People MUST be destroyed."

Stefanie Drese, German Social Democrat

Historically, Jews had always thrived in nations and empires with multicultural, pluralistic and tolerant environments, while they fared badly in strong ethnic or nationalistic societies. European Jews have always been the emblematic stranger or 'other'.

Therefore, by definition, a society where the stranger is welcome is good for the Jews, although they have not always appreciated this link.

The future of European Jewry is dependant on our ability to shape a multicultural, pluralistic and diverse society.

– Göran Rosenberg, Jewish author and journalist.

“I think there is a resurgence of anti-Semitism because at this point in time Europe has not yet learned how to be multicultural. And I think we are going to be part of the throes of that transformation, which must take place. Europe is not going to be the monolithic societies they once were in the last century. Jews are going to be at the centre of that. It’s a huge transformation for Europe to make. They are now going into a multicultural mode and Jews will be resented because of our leading role.”

-- Barbara Lerner Spectre, Sweden, Founder of Paideia, European Jewish Fund in Sweden

American Jews are committed to cultural tolerance because of their belief—one firmly rooted in history—that Jews are safe only in a society acceptant of a wide range of attitudes and behaviors, as well as a diversity of religious and ethnic groups. It is this belief, for example, not approval of homosexuality, that leads an overwhelming majority of US Jews to endorse ‘gay rights’ and to take a liberal stance on most other so-called social issues.

– Charles Silberman, Jewish writer and journalist

It is in the Jewish interest, it is in humanities interest that whites experience a genocide. Until white children are burned alive, white women raped, mutilated, murdered and all white men who have not been slaughtered watch powerlessly as their people are terrorised; only then will mankind be on a more equal footing, ready to discuss white privilege and the apparent chip on the shoulder that minorities have. - Ishmael Levitts

Some time in the distant future, brown people are probably going to—and I say this without judgment—breed their way to power in both Europe and America. Arab populations are growing in countries like France and Holland, and I think we all see where this Mexican thing is going in America.

That's right, *because they fuck more*, the darker skinned people are going to rule the world! And white people, for their own self-preservation, should get a start on being nice to them now! *Nice!*

– Bill Maher, Jewish TV host, author and comedian.

Stop White Genocide

Whites in 20th Century: 30 % worldwide.

Whites will drop to 8 % worldwide by
2060 if multiracialism continues.

**AFRICA FOR THE AFRICANS, ASIA FOR THE ASIANS,
MEXICO FOR THE MEXICANS, ISRAELI STATE FOR
THE JEWS, WHITE COUNTRIES FOR EVERYBODY!**

Anti-racist is a code
word for anti-white
