Ok, so I have been doing a bit of reading up on the New World Order and the pyramidal structure of power that they supposedly go by. I admit that I have been convinced that Fritz Sprinmeier is as legit as they come in his knowledge of the Illuminati and most of what I talk about here lends itself to his knowledge.

So, according to Fritz Sprinmeier, the Illuminati practice a religion that is very ancient and heavy with hidden, occultic practices. Especially, in the higher recesses of their religion, they are governed by very powerful women called "The Mothers of Darkness".

The following is from a red ice creations article and can be found [here](#):

In his writings ("Bloodlines of the Illuminati", p. 205) and speeches, Fritz Springmeier mentions a secret castle located near the village of Muno in Belgium. This castle would, according to him, be a

center of the occult and have a cathedral inside with a dome with 1,000 lights. This castle is referred to as the Mothers-of-Darkness castle. Monarch programming would be performed on children there. This castle is also sometimes referred to as the "Castle of Kings". Its real name is "Château des Amerois" and it is located in Bouillon (Belgium), near the village of Muno. This castle and its domain, the Muno forest, belonged to Prince Philippe of Saxe-Cobourg-Gotha, Count of Flanders and father of King Albert I. He bought the property in 1869 to the Marquis van der Noot d'Assche. The castle of Romantic style was built in 1877 for Philippe of Saxe-Cobourg Gotha by the architect Gustave Saintenoy. It has 365 windows. This castle was later bought by Alice Solvay, niece of the Belgian scientist and industrialist Ernest Solvay.

Interestingly enough, there is also mention on [this](#) site that talks about how the "Grande Dames" of the Illuminati go about doing their dirty businesses, and also interestingly enough, how they must ritually sacrifice themselves when their time is up:

In real life in the secret world of the Illuminati, a scroll is used to certify that the witch is dead both physically and spiritually. (The movie had this in it.) Just one example of the thousands of Illuminati Grande Dames killed in ritual like this is the recent billionaire Dorris Duke, who was ritually killed in 1993 on Halloween, also called All Hallows Eve, in the Beverly Hills, CA area. The Illuminati method for killing a Grande Dame and passing her spiritual power on is done with reverence. No blood is to be spilt out of respect for the elderly woman who gives up her life willingly. At death, the last breath is inhaled by the replacement to transfer the power. There may be as many as 2,197 Grande Dames at such a coronation. The Grande Mothers (whose Systems are mistresses for Satan and hierarchy leaders) and the next rank, the Grande Dames, are often veiled in ritual and would wear robes with different colored lining. The different colors of linings show the different grades. A typical Grande Mother vestment or robe is a black satin & velvet dress with a draped neckline, and ritual symbols down the center of the robe. After someone like Dorris Duke willingly gives her (their) life, her head

is served on a silver platter at a banquet. For the deeper alters of a high level slave, this is part of their way of life; they are told it is their birthright and heritage. Such alters will not be able to identify with the culture at large. To give up their programming, means giving up their magickal powers and their culture, which they have had to work hard for. To leave they would need to see something that they perceive as better. They are locked into their slavery due do to their exposure to only a secret Illuminati culture and value system. Because of their dissociation with the rest of their own System of alters, they don't perceive a need to change their lifestyle anymore than a Bushman would be able to feel a need to wear shoes. Why should the Bushman want shoes, if he has gotten along without them? Why should a high level slave want change, when they have gotten along without it?
