Gay Trump supporters **Cody Moore** and **Dewey Lainhart** were interviewed at a massive Trump rally in Cincinnati in mid October.

The two men told *The Wall Street Journal* they were “**tired of the bullshit government**” and were supporting Donald Trump for president.

The video of their interview had 256,000 views and over 900 comments.

Now leftists and Hillary supporters are threatening to kill them.

At the end of the interview Lainhart says he is a supporter of the Second Amendment saying,

| *“I look over my back and I do carry because I love the Second Amendment.”*

Meanwhile, Hillary Clinton [took millions](#) from the most violent anti-gay regimes on Earth. And the Democrat hypocrites could not care less.
